

Dear Manager or Owner

We are pleased to announce that the Pouch Cove Garden Committee have established a new Community Garden for the town of Pouch Cove.

Our Garden will be located next to the Dog Park on the main road in Pouch Cove. We have a unique design and have developed an overall plan.

Our mission is to bring the community together by building a haven of creativity and community participation while sowing the seeds in the minds and hearts of our community. With the help of your business donation, we can successfully create a garden for everyone's needs.

We are asking for the public and business support by donating any of the items listed below:
