## DEVELOPMENT REGULATIONS AMENDMENT No. 2, 2023

### BACKGROUND

The Town of Pouch Cove proposes to amend its Development Regulations. The Town has received an application to develop four Glamping Domes plus an accessory building on 1.323 hectares of land located at 748-850 Pouch Cove Line. The Glamping Domes will be constructed on 8-metre rounds with equipped living area, bathroom, and outdoor hot tubs. The domes will be insulated for year-round use. The Glamping Domes will be offered as short-term rentals similar to an Air B & B Style.

Glamping, sometimes referred to as glamorous camping, is more luxurious than a traditional campground in that the structures providing tourism accommodation are available on-site and may include amenities such as beds and mattresses, electricity, bathroom and kitchen facilities, and hot tubs. The site may include on-site accessory facilities in the form of a laundry room, comfort station, and recreational amenities.

### ANALYSIS

The application was tabled at the regular meeting of Council and was conditionally approved. The parcel of land fronting on Pouch Cove Line, Route 21, is located in the Residential-3 (R-3) Land Use Zone and land to the rear is located in the Rural (RUR) Land Use Zones. The Development Regulations do not address Glamping as a land use in either zone. It was the decision of Council to conditionally approve the Glamping proposal subject to an amendment to the Town's Municipal Plan and Development Regulations.

The purpose of this Development Regulations Amendment is to the following definition for glamping to Schedule A, Definitions. Add ***“glamping”*** as examples of the Outdoor Assembly class, Schedule B, Classification of uses of Land and Buildings and add ***“glamping”*** as a discretionary use to the **Residential-3 (R-3)** and **Rural (RUR)** Land Use Zones Tables.

### St. John's Urban Region Regional Plan

The St. John's Urban Region Regional Plan has the area of the proposed Municipal Plan amendment designated as Urban Development. Outdoor Assembly Uses are a

permitted use in the Urban Development Land Use Designation. It is determined that no amendment to the St. John’s Urban Region Regional Plan is not required for this proposal.
