PROCLAMATION

WORLD OVARIAN CANCER DAY 2026

May 8

WHEREAS, Ovarian Cancer has no early detection testing, and

WHEREAS, Ovarian Cancer symptoms are often confused with other less severe illnesses, and

WHEREAS, Ovarian Cancer has the lowest survival rate of all female cancers, and

WHEREAS,, as many as 23 percent of women with Ovarian Cancer have an inherited genetic mutation, and

WHEREAS, genetic testing is a way to identify people at high risk before they develop Ovarian Cancer.

NOW, THEREFORE, be it resolved that I, Brad Richards, Mayor of the Town of Pouch Cove NL, do hereby proclaim Wednesday, May 8, 2026, **World Ovarian Cancer Day.** I encourage all citizens of the Town of Pouch Cove, and the province of Newfoundland and Labrador, to talk to their health providers about Ovarian Cancer and seek to learn more about the disease and supporting those suffering from it.

TOWN COUNCIL OF POUCH COVE INCORPORATED 1970
